**DISCOVER THE POWER
ONLY RAM CAN DELIVER**

They asked for a pickup that could go anywhere. A truck that could climb higher, reach deeper, and take you where the road ends.

You are professionals who take pride in your work. You hold yourself to the highest standards and you expect the same from your pickup. We heard you loud and clear. Pickups are our passion, and we set to work immediately, leaving no detail unexplored, driven by our determination to set new standards in pickup design.

The New Ram Rampage combines the space you need for work, the strength you expect, and the agility and confidence to take on trails, mountain paths, and narrow forest roads, wherever your journey leads. All wrapped in unmistakable Ram style, where true capability meets outstanding comfort, delivering the freedom and performance you've been waiting for.

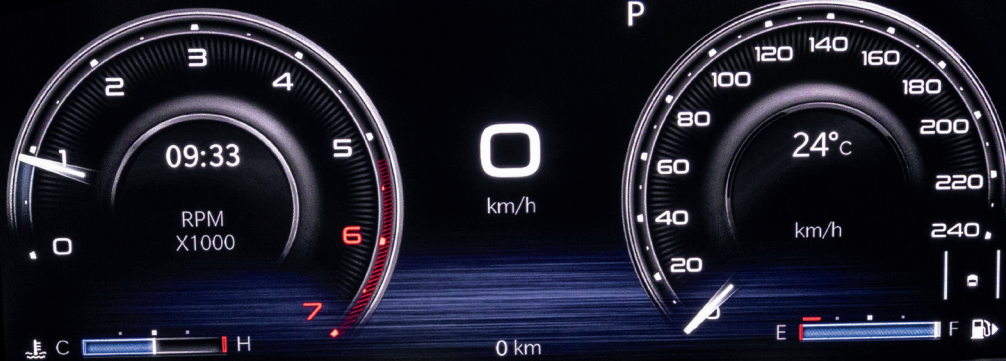

RAMPAGE

TECHNOLOGY TO SPARE

MULTIMEDIA CENTER 12.3" UCONNECT®.
Experience unprecedented infotainment with the Rampage:

Android Auto® and Apple CarPlay® with wireless connectivity
Built-in GPS navigation with over-the-air map updates
Simultaneous connection with up to 2 smartphones

DIGITAL INSTRUMENT PANEL 10.3" FULL DIGITAL

Fully configurable to your preferences, this high-resolution panel ensures every piece of information is clear and at a glance.

RAMCHARGER

Enjoy induction smartphone charging with cooling, cable-free for ultimate convenience while driving.

The Rampage also offers 6 USB ports, including 3 Type-C for fast charging, keeping all your devices powered wherever the journey takes you.

New 2.2L Multi Jet Turbodiesel

Power: 200 hp @ 3,500 rpm

Torque: 450 Nm @ 1,500 rpm

The new **2.2L Turbodiesel** offers exceptional efficiency and performance, delivering **200 hp** and **450 Nm of torque**. It accelerates from **0 to 100 km/h in just 9.9 seconds**, reaching a **top speed of 190 km/h**, combining power and fuel economy in perfect balance.

2.0L Hurricane Turbo 16V

Power: 272 hp @ 5,200 rpm

Torque: 400 Nm @ 3,000 rpm

For those who demand even more, the **2.0L Turbo Gasoline** engine delivers thrilling performance with **272 hp** and **400 Nm of torque**. It propels the Rampage from **0 to 100 km/h in only 6.9 seconds**, with a **top speed of 220 km/h**, making it the most powerful and fastest pickup ever built.

And when equipped with this engine, the dual exhaust system releases a distinctive roar that sends shivers down your spine.

AMAZING PERFORMANCE

The Rampage can be equipped with two engines, choose the one that best fits your style.

EFFORTLESS CONTROL

No matter which engine you choose, the Rampage comes equipped with a state-of-the-art 9-speed automatic transmission that delivers seamless gear shifts, smoother acceleration, and enhanced fuel efficiency.

Gear selection is simple and intuitive: just turn the elegant rotary dial on the center console.

And when you're in the mood for a sportier drive, take command with the paddle shifters located behind the steering wheel. Experience the full power and responsiveness of the Rampage engines — right at your fingertips.

CAPABILITY FOR EVERY CONDITION

The Rampage features an advanced **Auto 4x4 system** that automatically distributes engine power to all four wheels, optimizing traction and stability on any surface. When extra traction isn't needed, it intelligently disconnects the rear axle for greater efficiency, so you never have to worry about when to engage 4x4.

For challenging, low-grip terrains, simply activate 4x4 Low (Low Range) to deliver maximum torque to all four wheels, ensuring constant power and control.

And with **Hill Descent Control (HDC)**, steep or uneven descents become effortless. Just engage 4x4 Low and press the HDC button on the center console, the Rampage automatically manages braking, allowing you to focus entirely on steering. **Pure confidence, even in the toughest conditions.**

RAMPAGE

READY FOR ANY TERRAIN

The **Rebel version**, with its bold off-road styling, features 17" wheels paired with Pirelli Scorpion™ All Terrain Plus 235/65 tires, engineered to deliver exceptional performance and traction even in the most demanding off-road conditions.

HEIGHT
FROM THE
GROUND

Diesel
10.5 inches
266 mm

Petrol
10.2 inches
259 mm

APPROACH ANGLE

From 25.0° to 25.8°

BREAK OVER

From 23.1° to 23.9°

DEPARTURE ANGLE

From 24.5° to 27.5°

Values vary depending on the version.

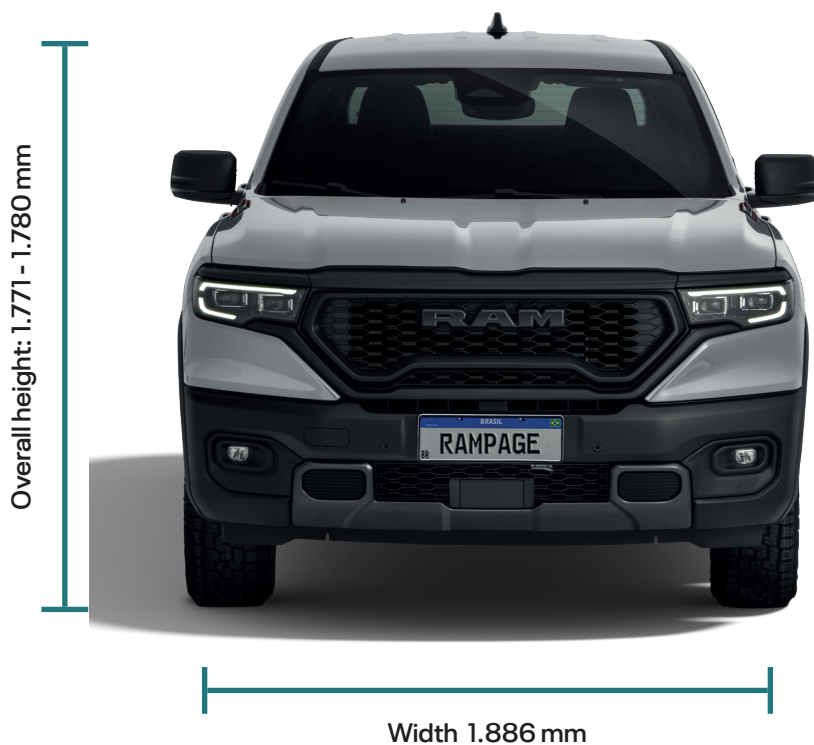

Across all versions, the Rampage offers impressive approach, departure, and breakover angles, along with generous ground clearance, ensuring **confidence and capability** wherever the road takes you.

A MULTIPURPOSE BED

Designed for versatility, the bed features a **durable plastic lining**, **integrated LED lighting**, and a **tonneau cover** for added protection. The **cushioned tailgate** can even be **opened remotely via the key fob**, combining convenience with practicality.

DIMENSIONS

Cargo Bed Dimensions

Length	1.450 mm
Length with tailgate open	2.100 mm
Height	595 mm
Maximum width	1.385 mm
Width between wheel arches	1.055 mm
Volume capacity	980 l

FULL LED HEADLIGHTS WITH BI-FUNCTION PROJECTOR

The New Rampage features **state-of-the-art LED headlights** with a **distinctive signature design** that immediately commands attention. Beyond their striking look, they incorporate advanced technology such as automatic high-beam control and dynamic turn signals, the only pickup in its class to offer this feature. The **LED fog lights** include a **cornering function**, enhancing visibility and safety in every situation.

At the rear, the **full LED taillights** echo the same modern design language, ensuring that the Rampage stands out from every angle — day or night.

MAXIMUM SAFETY

The New Rampage sets a new benchmark for safety, offering **seven airbags, ventilated disc brakes on all four wheels, and an advanced suite of driver assistance systems**, all standard.

Adaptive Cruise Control with Stop & Go

Maintains a safe distance from the vehicle ahead, even in heavy traffic. The system can bring the pickup to a complete stop and accelerate again automatically, ensuring a smoother and more relaxed driving experience.

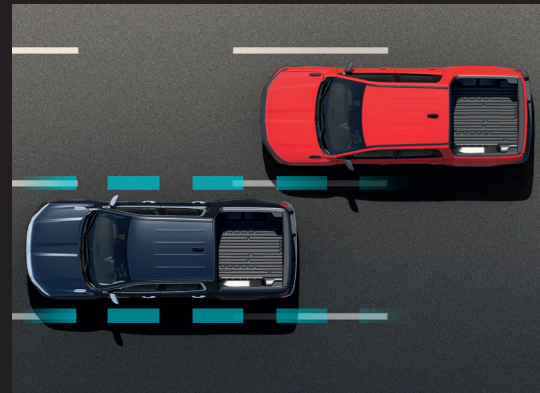

Blind Spot Monitoring System

Using sensors positioned on both sides of the vehicle, this system detects cars in the blind spots and warns the driver through audible and visual alerts, enhancing confidence during lane changes.

Forward Collision Warning with Autonomous Emergency Braking and Pedestrian & Cyclist Detection

Monitors the road ahead to identify potential collisions. If a vehicle, pedestrian, or cyclist is detected and the driver doesn't react in time, the system automatically applies the brakes to help prevent or mitigate an impact.

Lane Departure Warning System

Helps you stay on course by alerting the driver with steering wheel vibrations in case of an unintentional lane departure

RAMPAGE

ABUNDANT LUXURY

IMPRESSIVE ON THE OUTSIDE, SURPRISING ON THE INSIDE

The New Rampage redefines sophistication in its class, the only pickup that combines **true luxury, craftsmanship, and capability in one vehicle**. Every detail has been carefully considered, with **premium materials** selected to deliver a refined and exclusive interior experience.

The **multifunction steering wheel**, adjustable for **height and reach**, is wrapped in **leather or a leather-and-suede combination***, depending on the version. Integrated controls allow seamless access to essential functions such as **cruise control**.

In the **R/T version**, exclusive **red stitching and suede inserts** on the seats, door panels, and instrument panel add a bold, sporty touch to the refined interior.

The **center console** features a **practical lower storage compartment**, keeping essentials within easy reach, while the **dual-zone digital climate control**, with rear air vents, ensures maximum comfort for all passengers.

PREMIUM COMFORT & CONVENIENCE

Harman Kardon® Certified Premium Sound

Immerse yourself in an exceptional audio experience with nine speakers, a 6-inch subwoofer, and 360 watts of power, delivering crystal-clear sound and deep bass for the perfect soundtrack to every drive. Standard on R/T version.

Leather-Trimmed Seats

Enjoy exceptional comfort with 12-way power-adjustable driver's seat, including 4-way lumbar support, allowing you to find the perfect driving position with ease.

On R/T version, the front passenger seat also features 12-way power adjustment, ensuring both driver and passenger travel in complete comfort and style.

LED Ambient Lighting

Enhances the cabin's atmosphere with refined illumination, adding a sense of sophistication and comfort. Available on R/T version.

Remote Start & Keyless Enter 'n Go™

Start the engine and unlock your Rampage effortlessly, without removing the key fob from your pocket or bag, pure convenience at your fingertips.

Electronic Parking Brake with Auto Hold

Keeps the pickup stationary automatically, whether at a red light or in heavy traffic, without the need to keep your foot on the brake, adding ease and comfort to every drive.

REBEL

For those who need strength and endurance, the RAM Rampage Rebel delivers pure capability. Powered by a robust **2.2-liter turbo diesel engine** with **200 horsepower** and **450 Nm of torque**, it offers the muscle needed for demanding tasks. With a payload capacity of **up to 1,015 kg**, the Rebel is built for professionals and adventurers alike, ready to handle heavy loads without compromising on comfort or control.
